Hi

Apologies on the delay. Today is obviously out the window as the slot is gone (sorry). It would have perhaps been too soon to rally my team anyway. I have an internal catch up on this project at 3.30 where I will suggest Monday or Tuesday at 4pm. I will let you know later today.

When are you back? Just thinking of options in case my team struggle for early next week.

Thanks,

Hi Guys,

I hope you are all well.

I was hoping to schedule in a project catch up with you all over the next week or 2. Could you please let me know your availability and I will get something set up?

Kind Regards,
